**MEMORANDUM ORDER**

Whereas the testimony of witnesses and representations of counsel at the November 10, 2022 hearing and other conduct by counsel and entities in this case and other cases in this Court give rise to concerns about the accuracy of statements in filings made by Plaintiff Backertop Licensing LLC (Backertop), whether counsel complied with the Rules of Professional Conduct and orders of this Court, whether there are real parties in interest such as Mavexar and IP Edge that have been hidden from the Court and Defendants, whether those real parties in interest

perpetrated a fraud on the court by fraudulently conveying to a shell LLC patents asserted in this Court and filing fictitious patent assignments with the United States Patent and Trademark Office designed to shield those parties from the potential liability they would otherwise face in asserting patents in litigation in this Court, *see Nimitz Techs.
